**Higher Yield  
Advantage**  
500 lbs more than  
Ga14N

**Lower Canopy  
Height**  
(Compared to  
NemaTAM II)

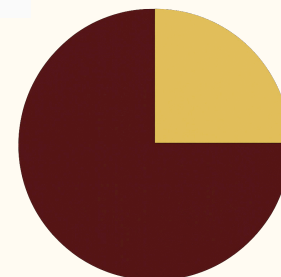

**Root Knot  
Nematode  
Resistance**

**High Oleic**  
Better Oil  
Stability,  
Increased Shelf  
Life

**145 Day  
Maturity**

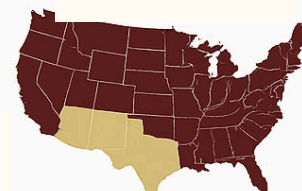

**72-76%  
Total Sound  
Mature Kernels**

**Good  
Roasted  
Peanut Flavor**

**No Off  
Flavors**

**Adapted for  
Texas and  
Southwest**
